However, the state's share of the amount 23 shall not exceed 50 percent of the estimated cost of 24 establishing the practice as determined by the division 25 or 50 percent of the actual cost of establishing the 26 practice, whichever is less.
- 27 (d) The demonstration projects shall be used to 28 educate other persons about the feasibility and value 29 of establishing similar water quality practices. The 30 division shall promote field day events for purposes of 31 allowing interested persons to establish water quality 32 practices on their agricultural land.
- 33 (e) The division shall conduct water quality
 34 evaluations within supported subwatersheds. Within
 35 a reasonable period after accumulating information
 36 from such evaluations, the division shall create an
 37 aggregated database of water quality practices. Any
 38 information identifying a person holding a legal
 39 interest in agricultural land or specific agricultural
 40 land shall be a confidential record under section 22.7.
- 41 (4) The moneys appropriated in this lettered 42 paragraph shall be used to support education and 43 outreach in a manner that encourages persons who 44 hold a legal interest in agricultural land used for 45 farming to implement water quality practices, including 46 the establishment of such practices in watersheds 47 generally, and not limited to subwatersheds or 48 high-priority watersheds.
- 49 (5) The moneys appropriated in this lettered 50 paragraph may be used to contract with persons to

- 1 coordinate the implementation of efforts provided in 2 this paragraph.
- (6) The moneys appropriated in this lettered 4 paragraph may be used by the department to support 5 urban soil and water conservation efforts, which may 6 include but are not limited to management practices 7 related to bioretention, landscaping, the use of 8 permeable or pervious pavement, and soil quality The moneys shall be allocated on a 9 restoration. 10 cost-share basis as provided in chapter 161A.
- (7) Notwithstanding any other provision of 12 law to the contrary, the department may use moneys 13 appropriated in this lettered paragraph to carry out 14 the provisions of this paragraph on a cost-share basis 15 in combination with other moneys available to the 16 department from a state or federal source.
- (8) Not more than 10 percent of the moneys 18 appropriated in this lettered paragraph may be used 19 for costs of administration and implementation of the 20 water quality initiative administered by the soil 21 conservation division.
- 22 b. For deposit in the agricultural drainage well 23 water quality assistance fund created in section 24 460.303 for purposes of supporting the agricultural 25 drainage well water quality assistance program as 26 provided in section 460.304:
